Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 03 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Milder with cloud, rain and drizzle slowly clearing southeastwards.

Today:
Cloudy at first with outbreaks of light rain and drizzle, and some hill fog. This clearing southeastwards from late morning, allowing some brighter spells to develop for the afternoon. Feeling milder than recent days, with light winds. Maximum temperature 8 deg C (46 deg F).

Tonight:
Dry with some clear spells this evening. Cloud increasing from midnight as scattered showers spread east, turning heavy at times. Minimum temperature 2 deg C (36 deg F).

Saturday:
Rather cloudy, chilly and breezy, with showers or longer spells rain. These will be heavy at times and wintry on hills. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:
Chilly Sunday with strong winds and outbreaks of rain, sleet and hill snow gradually easing. Bands of rain and strong winds tracking eastwards Monday and Tuesday, preceded by some snow.
